Re: HP Resident

RESIDENTIAL CERTIFICATE OF CONTINUED OCCUPANCY IS NOW REQUIRED

As of July 1, 2012, any rental, lease
or sale of any residential use will
require the owner to apply and
secure a **certificate of continued
occupancy** from the Harrington
Park Building Department.

**This inspection is in addition to
the Smoke detector/Carbon Monoxide Certificate also
filed through the Building Department.**

The following are some of the required items that will be inspected/
confirmed.

1. Closing all outstanding construction permits.
2. Verifying the use of the property (one, two, multi-family etc).
3. Ensuring there is no sump pump connected into the sanitary system or any other unauthorized connection.
4. Sidewalk maintenance.
5. Any code compliance issues.

It is suggested to file the application for these inspections as soon as possible after your sale or rental is confirmed. By doing so will help ensure that there will be no delay in your closing or occupancy of the house.

If there are any questions, please feel free to contact the
Building Department at 201-768-2585

MUNICIPAL AND COUNCIL NEWS

The Mayor and Council has already started the 2013 Municipal Budget process. We are struggling to keep this year's taxes under the allowable 2% increase. State of New Jersey reductions in aid to local municipalities and lost revenue from the number of tax appeals have made this process very difficult.

There will be some changes in our Tax and Finance Office. Mrs. Anne Murphy will be retiring effective April 1, 2013. Mrs. Toni Flyge has taken a new position in a neighboring municipality. Both employees have been very dedicated to the Borough and we wish them all the best with their future changes.

Under the leadership of Council President Allan Napolitano, the approval, on first reading, of an ordinance to amend our property maintenance code took place at the January 21, 2013 Mayor and Council meeting. The second reading will take place February 19, 2013 at our Regular Mayor and Council meeting in Borough Hall.

Ordinance #677 will enable better enforcement and understanding of property maintenance issues and help maintain higher property values in Harrington Park.

Con't....FROM THE MAYOR'S DESK...

IMPORTANT WINTER SNOW TIPS

For your personal benefit and well being, I would like to remind you of some important snow related matters.

In October, 2010, NJSA 39:4-77.1 went into affect. As of that date, you have been required to remove snow from the roof and sides of your vehicle. Failure to comply could result in a fine of \$25-\$75. If personal injury or property damage occurs, the fine could be as high as \$200 -\$1000.

Also, Borough Ordinances prohibits you from plowing or shoveling snow into the roadway once the street has been cleared. Snow should be shoveled to the left of your driveway (when looking at your driveway from the street). This will eliminate extra build up in your driveway when the road is plowed. If you contract for snow removal, please inform the person of this fact.

You may want to consider placing reflectors along the curb of your property to help guide those who are plowing the roads. This can help protect damage to your lawns and sprinkler systems.

Thank you for your cooperation.

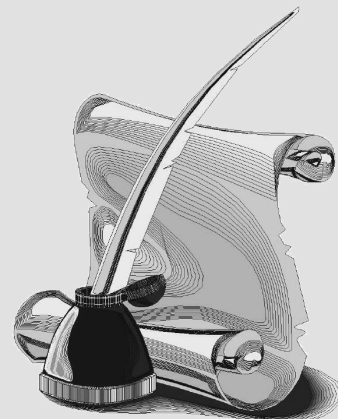

SETTING A GREAT EXAMPLE!

Harrington Park third graders Michael Derrico and John King celebrated their birthdays this month with a movie for friends and a food drive for the local food banks. The boys requested that friends bring a non-perishable food item instead of a gift to their party. Over 16 bags of groceries were collected and distributed to a local food pantry. The party was great fun and all experienced how much fun the gift of giving can be.

Michael and John have set a great example for all of us. We would all benefit from such an act of kindness, especially during the current difficult economic times.

Happy Birthday Michael and John and keep up the good work!

Mayor Paul A. Hoelscher
